NOTES:

- Plat of survey is required to obtain a fence permit
- Compliance with Village Codes is required
- Placement of fences, trees, vegetation or other obstructions to the use of easement(s) for access, utility services, establishment and/or maintenance of effective drainage systems for contiguous properties shall be at the risk of the property owner. Such obstructions are subject to removal at the owners expense
- Structural posts and framing are to be on the interior side
- Removable fence sections are recommended for ease of access if and/or when required
- Call for inspection once post holes are dug before setting posts
- Final Inspection required upon completion. Owner must call Building Department at 503-8000
- Any fence over 5ft. needs a Variance.
