## Village of Olympia Fields

### General Fund Tax Revenues

- **Income Tax:** The amount of Income Tax the Village receives is based on its population in proportion to the total state population. The population figures are determined based on the latest census conducted by the United States Bureau of the Census and certified by the Office of the Secretary of State. Beginning August 1, 2017, local governments receive 6.06% of net collections of all income tax received from individuals, trusts, and estates, and 6.85% of the net collections of all income tax received from corporations. In addition, Public Act 100-23 also reduces distributions to local governments by 10%.
- **Use Tax:** This tax is imposed on the privilege of using, in Illinois, any item of tangible personal property that is purchased anywhere at retail. For example – out of state purchases. Use tax monies (with the exception of titled and register items) are distributed based on the Village's population.
- **Replacement Taxes** – Commonly referred to as Personal Property Replacement Tax (PPRT). They are revenues collected by the Illinois Department of Revenue to replace money that was lost by the local governments when their power to impose personal property taxes was taken away, in 1979. This tax is paid by corporations, partnerships, trusts, and public utilities.
- **Cannabis Excise Tax** - Beginning on January 1, 2020, the Cannabis Regulation and Tax Act took effect in Illinois. Monies collected under this Act from state taxes and license fees are required to be transferred into the Cannabis Regulation Fund. 8% of the Cannabis Regulation Fund revenues will be distributed on a per capita basis to local governments and must be used to fund crime prevention programs, training and drug interdiction efforts.
- **Telecommunications Tax:** Imposed on retailers engaged in the business of transmitting telecommunications and includes LAN lines, cellular phones, and pagers (not on data).
- **Sales Tax:** Imposed on a seller's receipts from sales of tangible personal property for use or consumption. Tangible personal property does not include real estate, stocks, bonds, or other "paper" assets representing an interest. The Village receives 1% share of Illinois Sales tax.
- **Gaming Tax:** A tax of 5% on gross proceeds is imposed and is divided equally between the Common School Fund and the Illinois Gaming Law Enforcement (IGLE) Fund. One-Third of the IGLE Fund is distributed to municipalities for law enforcement purposes. It is allocated among the municipalities in proportion to the number of licenses issued.
- **Property Tax:** A tax bill is based on two factors:
  - 1) Equalized Assessed Value (EAV) of your property.
  - 2) Levy: the amount of money the local taxing districts need to operate in the upcoming year.

The assessment on your property is set by local officials and is merely a method of fairly distributing the tax burden among all property owners in the Village. (i.e., the tax base). Your tax bill can remain the same or decrease even though your assessment is increased if the tax base increases or the taxing districts do not increase their levies. Conversely, your tax bill can increase even though your assessment remains the same or decreases if the tax base decreases or the taxing districts increase their levies.
